

TALTARNI

Heaven on Earth

Crafting world-class wines since 1977, our pursuit of excellence starts in the vineyards and honours our deep connection to the land. We strive to consistently deliver wines of uncompromising quality that are made to be enjoyed for all occasions.

Our Dynamic Range

Inspired by the environment in which the fruit is grown, our Dynamic range has been crafted in a fresher, more fruit-forward style with fewer tannins than our traditional Taltarni wines. With fruit carefully sourced from a variety of sites and the development of some innovative blends that celebrate the varietal characters, our intention is for these wines to be easily available and ready to be enjoyed on any occasion.

2019 Shiraz

THE SENSORY FEAST

REGION	Victoria
VINTAGE	April 2019
COLOUR	Deep garnet
BOUQUET	Vibrant red berry, light spice
PALATE	Fruitful and mouth-enveloping
CELLARING	Drinks well now. Would cellar beautifully for up to ten years.

Winemaker's Notes

Rich and vibrant, our 2019 Shiraz displays a complex palate with wonderful depth of flavour and supporting tannins that allow for a great finish. The regional characters of the Pyrenees are a key component of this wine, which is complemented by other Victorian cool climate vineyard sites.
